

“Shipt” Has Arrived in Charlotte North Carolina!

There's a GREAT new service in the Charlotte, NC area where you can get your groceries delivered for **FREE!** It's called “**Shipt**” and it's a service offered by Publix

Here's how it works....

Download the “**Shipt**” app onto your smart phone and select the items that you would like to have delivered. There is no limit to the quantity and your order can even include fresh and perishable items such as milk, eggs, meats, etc... You can choose them to be delivered as soon as one hour from the time you place your order or schedule it anytime that's convenient for you.

There is an annual membership fee of \$99. Or alternatively you can choose to pay monthly for a \$14 monthly fee.

Orders over \$35 are delivered for FREE and anything under that incurs a \$7 delivery fee.

All of Mecklenburg County is included in the delivery area.

Here's the website to find out more and to sign up! www.shipt.com
